Introduction to Part Two

THE DR. ALFRED S. MARTIN COLLECTION REPRESENTS THE SINGLE MOST comprehensive offering of U.S. First Day Covers, Earliest Documented Usages, Collections and Postal History to be offered publicly.

Dr. Martin amassed one of the most highly-regarded philatelic collections in just a 25-year period. Coincidentally, he began collecting at approximately the same time I began my business. We grew together in the field, and I was privileged to have been one of the few dealers to meet and work with Dr. Martin. His sophisticated taste and keen eye enabled me to place many premium items with him privately. Many are seen here for the first time for all to enjoy.

Due to the breadth of Dr. Martin's collection, it is being offered in two distinct sections. This catalogue, the second of two, will focus on First Day Covers, EDU's, and Collections, while Part One in a separate catalogue features Dr. Martin's Postal History collection, as described by Siegel Auction Galleries.

I am honored to be able to work with Scott R. Trepel, President of Siegel Auction Galleries. Our firms have joined forces to produce two separate auction catalogues in a combined sale event that will create enhanced awareness of the Martin collection. Siegel Auction Galleries is a leading worldwide philatelic auction house, and, in partnering with them, we look forward to offering unprecedented exposure for this remarkable property.

While I am responsible for describing this catalogue, the actual floor auction will take place at the Siegel firm's galleries in New York City, preceded by an on-line auction featuring our exclusive *Live Interactive Bidding* functionality at www.jamesmccusker.com. Shortly before the auction goes live, on-line bidding will end and then the sale will open to the floor. For more information, please refer to page 3 in this catalogue.

The Martin sale will break many long-standing records within the hobby and afford even the most advanced collectors an unparalleled opportunity to acquire items that in many cases have not been offered in decades — or at all — in any public arena.

Within these pages are so many premium items that after careful study it is impossible for me to single out any one item or section. Whether they are classic commemoratives — highlighted by the Burger set of six Columbians — or the finest group of Kansas-Nebraska Predates we have ever seen, these examples only begin to tell the story. And let us not overlook the simply phenomenal collections section or the most extensive Dorothy Knapp collection ever assembled.

I realize that there may be some questions due to this collaboration. If you generally are used to dealing with either me or the Siegel firm, then please continue to do so. I will be happy to handle your bids or inquiries. Also, I will be in attendance at Siegel Auction Galleries on the day of the auction. If you have any questions, please do not hesitate in calling me at 800-852-0076.

AFTERNOON SESSION (LOTS 301-831)
THURSDAY, MARCH 31, 2005, AT 1:30 P.M.

THE DR. ALFRED S. MARTIN COLLECTION OF
U.S. FIRST DAY COVERS AND EARLIEST DOCUMENTED USAGES

1851 ISSUE

301

- 301 ☒ **3c Orange Brown (10).** Large margins to just barely in at top, beautiful rich color and early impression, tiny corner crease, tied by ms. "H" cancel, clearly struck red "Washington City D.C. 1 Jul." (1851) circular datestamp on blue **First Day folded letter** addressed to John N. Noyes, No. Auburn, Maine, with internal July 1st manuscript as well as additional contents ". . . most particularly Crosby to John with the compliments of the season and his warmest congratulations upon the advent of the three cent stamps, and aint they nice!", minor bleached spots and slight wear around edges

VERY FINE. THIS IS THE ONLY RECORDED 3-CENT 1851 ORANGE BROWN FIRST DAY COVER FROM WASHINGTON CITY. IT IS ALSO ONE OF ONLY THREE FIRST DAY COVERS WITH CONTENTS REFERENCING THE NEW 1851 ISSUE.

Three new stamps were created for use starting on July 1, 1851, after a change in the postal rates — 1c, 3c and 12c. The basic rates became 1c for newspapers, circulars and drop letters (with an escalation for distance up until 1852), 3c for domestic letters sent up to 3,000 miles, and 6c for letters sent over 3,000 miles. The 1847 Issue was demonetized after July 1, 1851, when the new rates went into effect.

Of the 43 documented 3c 1851 First Days this example is especially desirable due to the contents and Washington City origin.

With 1979 P.F. certificate. Brookman catalogue value \$17,500.00..... E. 15,000-20,000

302

- 302 ☒ **3c Orange Brown (10).** Full margins to just barely touched at top including part of adjoining stamp at bottom, cancelled by **magenta** grid, matching "**Hartford Ct. Jul. 1**" **First Day** circular datestamp on blue folded letter to New Bedford Mass., contents dated 1851

VERY FINE. AN EXTREMELY RARE FIRST DAY COVER OF THE 1851 3-CENT ORANGE BROWN. ONE OF FOUR RECORDED FIRST DAY USAGES FROM HARTFORD.

Ex Siskin and included in his "First Day Firsts" exhibit. With 1984 P.F. Certificate. Brookman catalogue value \$17,500.00 E. 12,000-15,000

1861 ISSUE

303

- 303 ☒ **30c Franklin (71).** Tied by neat strike of grid, “**New London Ct. Aug. 20, 1861**” circular datestamp on grayish blue linen-lined cover **to Honolulu, Hawaii**, stamp with faults incl. small tear at top and affected by horizontal file fold

THIS IS THE EARLIEST DOCUMENTED USE OF THE 30-CENT 1861 ISSUE. A REMARKABLE ITEM, THIS DATE HAS STOOD AS THE EARLIEST DOCUMENTED USE FOR ALMOST 70 YEARS.

Dr. Martin seldom purchased EDU's. However, this 30c 1861 cover had a long history of being the EDU, and the August 20 date is very close to the date of distribution for the new 1861 Issue. It was once part of George B. Sloane's collection and appeared in an article in *Stamps Magazine* written by Sloane. Today, nearly 70 years later, it still remains the EDU.

Ex Sloane and Hollowbush. With 1996 A.P.S. certificate..... E. 5,000-7,500

A VERY FINE AND CELEBRATED COVER. THIS IS THE ONLY RECORDED FIRST DAY COVER OF THE ENTIRE 1890 “SMALL” BANK NOTE ISSUE.

This cover was formerly owned by Ed Siskin, who collaborated with Henry Scheuer for an article about the cover, published in the January/February 1979 issue of *First Days* (the publication of the American First Day Cover Society). Although many 1890 values were available at over 400 post offices, this is the only First Day to have surfaced. Today, 25 years after the article was written, it is still the only known First Day for the issue. Despite all the recent great name auctions and the tremendous growth of the First Day Cover Rarity market, no additional covers have come to light. Undervalued in Scott and Brookman at just \$20,000.00, this cover is destined to become one of the most important and valuable First Day Covers.

Ex Siskin. With 1975 AFDCS and 1975 P.F. certificates..... E. 20,000-30,000

- 311 ☒ **1c-5c, 10c Columbian (230-234, 237).** The famous six "Burger" covers, each with a single value tied by **true First Day "New-York N.Y. D. Jan. 1, 1893 2:30 P.M."** duplex cancel on small cover neatly addressed in the same hand to C. A. Burger at 100 7th St. or 34 Park Row in New York City, a few trivial imperfections

THE CELEBRATED "BURGER" SET OF TRUE FIRST DAY COVERS OF THE COLUMBIAN ISSUE, CANCELLED ON JANUARY 1, 1893, WHICH WAS A SUNDAY. THE ONLY KNOWN COMPLETE MATCHED SET OF JANUARY 1ST DUPLEX FIRST DAY COVERS AND THE HIGHLIGHT OF THE MARTIN COLLECTION.

January 1st was a Sunday and the first official day of release by the Post Office Department. However, since this was a Sunday, covers dated on Monday, January 2nd, are also considered First Days. These trade for and catalogue much less than the true Sunday First Days.

The only denominations known cancelled on Sunday, January 1st, are the 1c, 2c, 3c, 4c, 5c and 10c. Therefore, this remarkable group represents a complete set of January 1st First Day Covers. This is the only known complete matched set with duplex cancels. These same denominations, plus the 6c and \$2.00, are also known cancelled on Monday, January 2nd.

Each cover is accompanied by a 1982 AFDCS certificate. E. 150,000-250,000

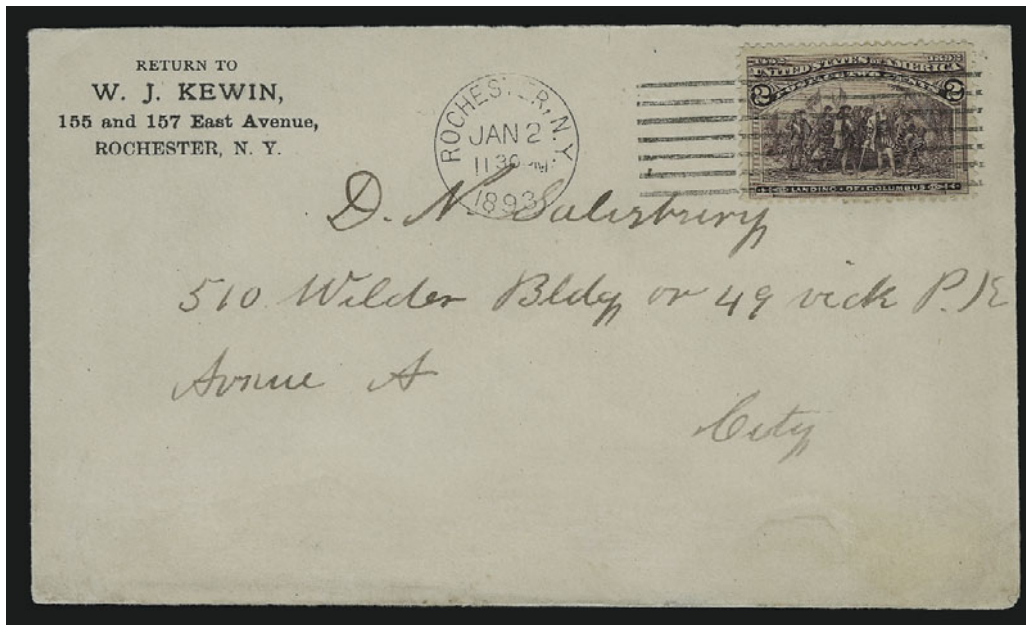

312

- 312 ✉ **1c Columbian (230).** Tied by **predated "Salem Mass. Dec. (31) 630PM 1892"** duplex cancel on small cover to C. A. Lee, Salem Mass., neat **"Lynn, Mass. Dec. 31 8PM 92 Rec'd"** datestamp on back

EXTREMELY FINE. ONE OF ONLY TWO RECORDED PREDATE COVERS FOR THIS DENOMINATION AND ONE OF ONLY FIVE KNOWN FOR THE ENTIRE COLUMBIAN ISSUE.

The other predated Columbian Issue covers include one other 1c, two of the 2c value and one of the 10c value. This is a storied cover that took much research to authenticate, but when the addressee, C. A. Lee, was discovered to be the Postmaster, it was certified as genuine. A fantastic cover and perfect mate for the Burger set offered in this sale.

With 1977 AFDCS and 1978 P.F. certificates. Brookman catalogue of just \$17,500.00 is long outdated. E. 20,000-30,000

313

- 313 ☒ **2c Columbian (231).** Tied by **Rochester N.Y. Jan. 2, 1893 11:30 PM** machine cancel on W. J. Kewin corner card cover to local address, neatly opened at top

VERY FINE. A RARE EXAMPLE OF THE 2-CENT COLUMBIAN USED ON JANUARY 2, 1893.

The 2c Columbian was issued on January 1, 1893, which was a Sunday. Most post offices were closed on the first and so January 2 is the earliest known date from most post offices.

With 1987 P.F. certificate. Brookman catalogue value \$5,000.00..... E. 4,000-6,000

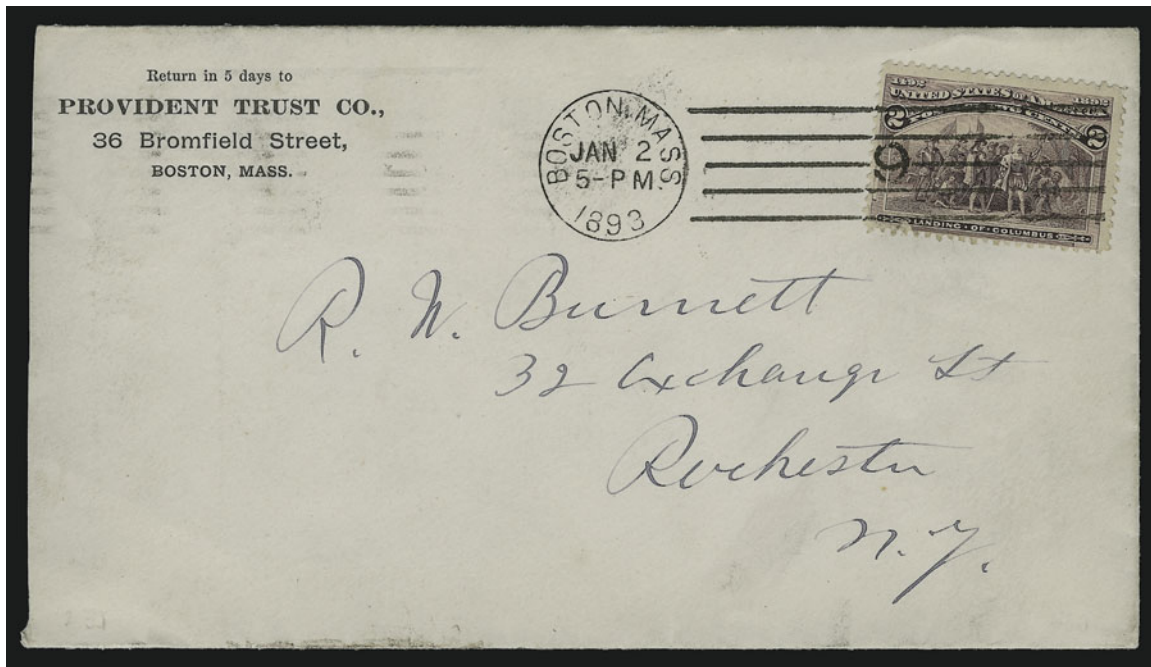

314

- 314 ☒ **2c Columbian (231).** Tied by **New Bedford Mass. Jan. 2, 1893 3:30 PM** duplex cancel on cover to Berkley Mass., receiving backstamp, contemporary message written on inside of cover which has been neatly opened at top and both sides, minor gum stains around stamp

A PARTICULARLY FRESH EXAMPLE OF THE 2-CENT COLUMBIAN USED ON JANUARY 2, 1893.

With 1975 AFDCS certificate. Brookman catalogue value \$7,500.00..... E. 3,000-4,000

316

- 316 ☒ **2c Columbian (231).** Three singles, tied by **New York N.Y. Jan. 2, 1893 3PM** duplex cancel on legal-size cover with The Lawyers' Title Insurance Company of New York corner card to Hon. A VERY FINE AND REMARKABLE FIRST DAY USAGE OF THE ONE-CENT PAN-AMERICAN ISSUE ON A SOUVENIR MAILING CARD WITH MULTICOLORED EXPOSITION-THEME DESIGN, USED TO A FOREIGN DESTINATION WITH ANOTHER COUNTRY'S POSTAGE DUE STAMP. THIS IS THE FINER OF THE TWO RECORDED ONE-CENT PAN-AMERICAN FIRST DAYS TO FOREIGN DESTINATIONS.

Only fourteen First Days are documented for this issue, of which eight are on cover and six are on card. Of these, only two are to foreign destinations (the other to France). A must-have item for the Pan-American specialist and certainly one of the most important Pan-American FDC's in the Martin collection.

Current Brookman catalogue value \$7,500.00 for a regular card or cover..... E. 7,500-10,000

Loewy in Hoboken N.J., **three different exposition labels applied to cover** (one tied), neat "Hoboken N.J. May 2, 1901 Rec'd" backstamp, minor toning and edge flaws

A VERY FINE AND SPECTACULAR FIRST DAY COVER OF THE 2-CENT PAN-AMERICAN ISSUE, CANCELLED AT THE PAN-AMERICAN EXPOSITION IN BUFFALO AND BEAUTIFULLY ADORNED WITH EXPOSITION LABELS.

Of the 61 recorded First Day covers for this issue, only thirteen are on Exposition stationery. Of these, only four have tied Exposition labels. This is certainly one of the finest recorded examples of this issue.

With 1981 P.F. certificate E. 7,500-10,000

- 698 ☒ **Airmail and Other Back-of-Book First Day Cover Collection.** Over 550 covers mounted in 6 albums from C2. Airmail FDCs range from C2 (first flight) through C14, then progress through Special Delivery covers and postal stationery. This is actually part remainder collection (C2-C12) and part unpicked (the remaining 80% of the collection). Although one could hardly call the C2-C14 section a remainder collection under most circumstances, in this case it is remarkably exactly that, but far better than most we’ve seen. Book number 1 includes issues as follows; C2 & C3 first First Flights (7/15/18 & 5/15/18 w/certs respectively); First Days continue with C4-C6 on three covers, C7 x 14 with Gorham, C8 x 6, C9 6 with Gorham, C10 x 32 with Griffin, Mauck x 2, Gorham x 2, Bahr unofficial, C10A single and full booklet, C11 x 8 with Mauck, postage due x 2, single usage, C12 x 14 with Gorham, Emeigh, Roessler x 4, Chicago unofficial, C13 First Day on card, C14 First Day on standard size cover. Books 2 through 5 cover the gamete starting with E12, E13 x 6, E14 x 5, E15 x 4 (one by Southgate), E16 x 3, QE1-4 issues x 24 (with QE1-3 on one cover), CE1-2 with over 100 covers represented with several better cachets and on throughout the stationery envelopes and cards (many better and with early cacheted too) and we even note a bit of Canal Zone. A fantastic lot that will reveal many better covers and a fine opportunity for the bourse dealer or eBay seller looking for mostly better back-of-book FDCs.*Not illustrated* E. 6,000-9,000

EXTREMELY FINE. A REMARKABLE COVER COMBINING THE ONE-CENT AND FOUR-CENT PARCEL POST STAMPS POSTMARKED JANUARY 1, 1913, THE TRUE FIRST DAY OF ISSUE. ONE OF THE HIGHLIGHTS OF DR. MARTIN'S BACK-OF-BOOK COLLECTION AND A MARVELOUS EXHIBITION ITEM.

Effective January 1, 1913, fourth-class mail was expanded by adding the former second and third-class mails into a new Parcel Post system, and the new Parcel Post stamps were issued. Effective July 1, 1913, the Parcel Post stamps were authorized by the P.O. Department for use on First Class mail and re-released.

Although scores of First Days exist for the July 1 First Day for First Class usage, we have handled only a few January 1 First Days. Very few covers are known, especially with more than one denomination. Since these were used on fourth-class mail, most do not have a dated cancellation.

Brookman and Scott Catalogue do not list the January 1 usage. They list the more common July 1 date at \$5,000.00 and \$5,500.00, respectively. The only other comparable item we have sold was a 5c value (Q5) in McCusker Sale #110 (April 1998), which realized \$12,650..... E. 7,500-10,000
