Information for Bidders

Bidding

The following means are available for placing bids:

1) Attending the Live Auction in Person: All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.

2) Live Internet Bidding: Instructions for participating as a Live Internet Bidder are provided on the page opposite.

3) Phone Bidding: Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.

4) Absentee Bids. All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Expert Certification

Individual items offered without a PF or PSE certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

Price Realized

Prices realized are sent with each invoice. Bidders with e-mail will receive a Bid Results report after the sale. Session results are posted immediately to siegelauctions.com

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Conditions of Sale (please read carefully before bidding)

The property described in this catalogue will be offered at public auction by Robert A. Siegel Auction Galleries, Inc. ("Galleries") on behalf of various consignors and itself or affiliated companies. By bidding on any lot, whether directly or by or through an agent, in person, or by telephone, facsimile or any other means, the bidder acknowledges and agrees to all of the following Conditions of Sale.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute between bidders, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS:** The following lots may not be returned for any reason: lots containing 10 or more items; lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault. Photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations. Lots may not be returned for any of the following reasons: the color of the item does not match the color reproduction in the sale catalogue or website listing; the description contains inaccurate information about the quantity known or reported; or a certification service grades a stamp lower than the grade stated in the description.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash

for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards are not accepted as payment.**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter. A fee of \$250.00 per check will be charged for each check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$600.00 unless otherwise agreed.

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.

11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers outside the U.S. are responsible for all customs duties.

12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. These Terms and Conditions shall be governed by and construed in accordance with the substantive laws of the State of New York.**

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

- 362 **1c Blue, Ty. I (18).** Plate 12, C Relief, radiant color, precise centering with perforations clear of design all around, light grid cancel

EXTREMELY FINE GEM. A SPECTACULAR EXAMPLE OF THE PERFORATED 1857 ONE-CENT TYPE I — PERFORATED TYPE I STAMPS ONLY COME FROM THE TIGHTLY-SPACED PLATE 12 AND ARE VERY RARELY ENCOUNTERED WITH PERFORATIONS CLEAR OF THE ENTIRE DESIGN.

The 1c Type I perforated is a notoriously difficult stamp to find well-centered and with perfs that do not cut off parts of the design. The Type I shows the completed design at both top and bottom, and as the spacing on the plate was narrow and perforating of stamps during this time period was generally poor, most examples do not show the full defining characteristics of the type. The example offered here, showing the full ornamentation at top and bottom is a condition rarity.

With 2011 P.S.E. certificate (XF-Superb 95; SMQ \$5,900.00). This is the highest grade awarded to date and one of only six 95's in the P.S.E. Population Report.

EXTREMELY FINE USED EXAMPLE OF THE 5-CENT 1857 ISSUE IN THE DISTINCTIVE BRICK RED COLOR. ONE OF THE FINEST USED EXAMPLES OF THIS STAMP IN EXISTENCE.

The distinctive Brick Red color is unlike any of the 5c 1856-61 shades and was probably an ink mixture anomaly in the first printing of 1858 when the rich Red Brown stamps with perforations were produced. Stamps printed in Brick Red were not released until later, which gives them an October 1858 earliest documented use date. They are notoriously difficult to find in sound, centered and lightly-cancelled condition, the three virtues possessed by this stamp.

Although the 12c is the most common of the Z Grills, it is still extremely scarce compared to other regular-production grilled issues and is very rarely found in Extremely Fine used condition. EXTREMELY FINE. AN OUTSTANDING EXAMPLE OF THE 1894 \$5.00 UNWATERMARKED FIRST BUREAU ISSUE.

The 1894 Unwatermarked Issue was the first set of U.S. postage stamps to be printed by the Bureau of Engraving & Printing, after the contract with American Bank Note Co. expired. The first stamps printed by the Bureau are notoriously difficult to find well-centered, as production was marred by initial problems as they geared up to meet the needs of the public for stamps. Perhaps the two most difficult denominations to find in superb condition are the \$1.00 Type II (Scott 261A), and the \$5.00.

With 1987, 1988 and 2007 P.F. certificates (XF 90). With 2007 P.S.E. certificate (XF 90; SMQ \$8,100.00). Only seven have graded higher to date in the P.S.E. Population Report 4,500.00

EXTREMELY FINE GEM. AN OUTSTANDING LIGHTLY-HINGED EXAMPLE OF THE \$2.00 TRANS-MISSISSIPPI ISSUE, WHICH HAS BEEN GRADED XF-SUPERB 95 BY P.S.E.

The \$2.00 Trans-Mississippi Issue is widely regarded as being the most difficult denomination of the series to obtain with any decent-size margins. The margins are almost always narrow on the \$2.00, making it difficult for collectors of Gem-quality stamps to fill this space in their albums.

With 1999 and 2005 P.F. certificates (OGph, XF-Superb 95). With 2006 P.S.E. certificate (OGph, XF-Superb 95; SMQ \$5,400.00). Only one example in any condition category has graded higher to date (hinged, at 98)..... 1,800.00

VERY FINE APPEARING AND EXTREMELY RARE USED BLOCK OF THE \$2.00 TRANS-MISSISSIPPI ISSUE.
Used dollar-value 19th Century commemorative blocks are extremely scarce, if only for the fact that this \$8.00 face-value postage is worth more than \$200 in today's inflation-adjusted dollars. This block comes from an old-time collection and has never before been offered at auction. It is the first used block we have offered since our 2001 Twigg-Smith sale, and Power Search turned up only four or five other blocks. 6,000.00

VERY FINE AND CHOICE. A RARE MINT NEVER-HINGED EXAMPLE OF THE \$5.00 1902 ISSUE.

The 1902-03 Regular Issue was a great improvement over the Bureau's first efforts in 1894 and 1895. Perforations tend to be cleaner, and centering better, but the large plate layout and perforating method still resulted in a large number of poorly centered stamps. Furthermore, stamps issued in choice condition seldom stayed that way, because the boom in stamp collecting that began with the Roosevelt administration caused hordes of hinge-bearing philatelists to mount stamps over and over again. This fact is made abundantly clear when you realize that the highest grade awarded by P.S.E. to a \$5.00 value in never-hinged condition is a 90, given to only three stamps.

FRESH AND VERY FINE MINT NEVER-HINGED EXAMPLE OF THE 2-CENT PANAMA-PACIFIC IN THE RARE LAKE SHADE. THIS IS THE FIRST IN MINT NEVER-HINGED CONDITION WE HAVE EVER OFFERED SINCE KEEPING COMPUTERIZED RECORDS.

According to Johl, "there is one shade that is practically as scarce as the four-cent Blue of the Columbian issue, this is known as Lake, almost the same color as were the Postage Due stamps current at that time. Only one pane of 70 is said to have been found at a Post Office in San Francisco, although it hardly seems possible that but one sheet could have been printed in this dark color. When these were discovered there were only 40 copies left; 31 were purchased by A.L., an old-time collector, and 9 by a local dealer."

VERY FINE AND CHOICE EXAMPLE OF THE ONE-CENT BLACK FULL-FACE McKINLEY POSTAL CARD. EXTREMELY RARE WITHOUT THE PRINTED ADDRESS.

As an indication of rarity, the Scott Catalogue prices the card without printed address at \$19,000.00, versus \$3,500.00 with the printed address. The entire stock of 500 cards was inadvertently sent from Washington to Booth, Dailey & Ivins in New York where they were shortly thereafter pre-printed with their address and garbage dumping information on the back to be filled out by the tug captain. As a result of the printing there remained no Mint cards for collectors. This "Unmarked Specimen" long ago became accepted as a full mint card in order to allow collectors to have a complete unused collection. Albert Daggett, the contractor for the printing of the Full Face card, was never able to satisfy the Post Office in Washington due to sub-standard quality of his productions. All submitted samples were rejected and as a result the entire stock of 1,625,000 cards was ordered destroyed by the PMG on April 29, 1902.

PRIVATE DIE PROPRIETARY DIE PROOFS

The following group of Match, Medicine, Perfumery and Playing Card die and trial color proofs originates from the American Bank Note Company archives. Each item was produced in Black for mounting on a sample book page, and is not cut down from a large die proof. As such, they may be appropriately considered small die proofs or small die trial color proofs. Since the Scott Catalogue does not list small die proofs, we have described them according to the large die listings and, we believe, very modest Scott retail prices. This is a unique group and a wonderful opportunity for a revenue or essay and proof collector.

OFFICIAL SEALS

1090

- 1090 ★田 **Post Office Registry Seal, 1875 Special Printing (OXF2).** Full sheet of 30 stamps, without gum as issued, each stamp punch canceled, sheet is cut in half vertically which affects the middle column of six, top and bottom stamps from that column have pieces out, pos. 1 also defective, perf separations incl. pos. 30 completely separated, few other small flaws. AN INCREDIBLY RARE SHEET OF THE 1875 POST OFFICE REGISTRY SEAL SPECIAL PRINTING. ONLY ONE OTHER IS KNOWN.

The late Jim Kotanchik discussed the Registry Seal Special Printing at length in his major 2006 work on Post Office seals. The Special Printing was the only stamp of this type printed in sheets of 30. Only one other sheet is known, which was sold in a 2011 Rumsey sale for \$10,500 hammer (ex. Col. Green, Wampler and Kotanchik). This sheet originates from the American Bank Note Co. archives and was apparently unknown to Kotanchik when he wrote his book. Despite the condition and the punch cancels, this would be a valuable reference for an Official Seal collection.

Shipping and Transit Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as “floor sale only”). To expedite billing and delivery of lots to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the package weight and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage or FedEx fees, but we do not include any charge for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases, except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

You are responsible for insurance charges, which will be added to your invoice. This coverage is provided for our mutual protection against theft or loss in transit.

Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absentee bidders in establishing their maximum bid for each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which do not will be reduced to the next level).
