- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.

- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Conditions of Sale (please read carefully before bidding)

THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. ("GALLERIES") ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**
2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.
3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.
4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**
5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date.**
(5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.
6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer's premium, shipping and transit insurance charges and any applicable taxes).**
7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 per check will be charged for each check returned for insufficient funds.
8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$800.00 unless otherwise agreed to in writing.
9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.
10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.
11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. **Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.**
12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries' reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

Revised 1/2015

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Guide to Gum Condition

Gum Categories:	MINT N.H.	ORIGINAL GUM (O.G.)				NO GUM
	 Mint Never Hinged <i>Free from any disturbance</i>	 Lightly Hinged <i>Faint impression of a removed hinge over a small area</i>	 Hinge Mark or Remnant <i>Prominent hinged spot with part or all of the hinge remaining</i>	 Part o.g. <i>Approximately half or more of the gum intact</i>	 Small part o.g. <i>Approximately less than half of the gum intact</i>	 No gum <i>Only if issued with gum</i>
Catalogue Symbol:	★ ★	★	★	★	★	(★)
PRE-1890 ISSUES	<i>Pre-1890 stamps in these categories trade at a premium over Scott value</i>			Scott Value for “O.G.”		Scott “No Gum” Values thru No. 218
1890-1935 ISSUES	Scott “Never Hinged” Values for Nos. 219-771	Scott Value for “O.G.” (Actual value will be affected by the degree of hinging)		Disturbed Original Gum: Gum showing noticeable effects of humidity, climate or hinging over more than half of the gum. The significance of gum disturbance in valuing a stamp in any of the Original Gum categories depends on the degree of disturbance, the rarity and normal gum condition of the issue and other variables affecting quality. For example, stamps issued in tropical climates are expected to have some gum disturbance due to humidity, and such condition is not considered a negative factor in pricing.		
1935 TO DATE	Scott Value for “Unused”					

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

The Curtis Collection

UNITED STATES REVENUE STAMPS

DAN CURTIS WAS PERHAPS BEST KNOWN FOR his collection of Revenues and his efforts to document all multiples of Revenue stamps of the First, Second, Third and Proprietary issues. This area of philately—one of the most visually striking of all—was first in his heart and the last he ever considered selling in his lifetime.

The Curtis Collection was started 70 years ago with a hand-me-down 1912 Scott album. It continued with plate blocks purchased at the post office in the 1940's, which are still part of the collection. It ranks as one of the most extensive and important United States collections ever formed.

Daniel B. Curtis, who passed away on January 7, 2014, was an enthusiastic and well-respected philatelist. Dan was a long-time member of the American Philatelic Society, the U.S. Philatelic Classics Society and the American Revenue Association. He was a trustee of the Philatelic Foundation and served on the Smithsonian National Postal Museum's Council of Philatelists. He was the recipient of several awards for his online Revenue Census (www.thecurtiscollection.com), which is the most important census research tool for Revenue stamps and multiples. The Siegel firm will continue to maintain and update the Curtis on-line census.

Dan lived in Tampa, Florida, and spent 60 years in construction, development, power generation and banking in Florida and the Caribbean, while sandwiching in a 40-year career in the U.S. Army and Army Reserve.

Philately has lost a great collector and contributor to the hobby. His collections have been documented in a series of sales held by Siegel Auction Galleries, and the provenance "ex Curtis" will become a lasting tribute to the sharp eye and profound knowledge Dan used to build his philately legacy.

— SCOTT R. TREPEL

Note Regarding Unused Revenue Stamps and Revenue Multiples

This sale contains a large number of unused Revenue stamps, with and without original gum, and multiples. Unused Revenue stamps were of special interest to Mr. Curtis, who rightly regarded them as woefully underappreciated and undervalued, due to the absence of unused listings and values in the Scott Catalogue. We wish to direct bidders' attention to the extraordinary unused stamps in this sale, which are much rarer than their unused counterparts. Multiples were also a special subject of interest for Mr. Curtis, and the website he started —thecurtiscollection.com—presents a census of Revenue multiples, updating the work of George Turner. The website and census will be maintained by our firm.

Welcome to The Curtis Collection

Welcome to the Curtis Collection, a census of U.S. Revenue Documentary, Proprietary, Future Delivery, Stock transfer and Silver Tax stamps. The First Three Documentary Issues and Proprietary Issues RB1 through RB19 are multiples only. All others include singles as well as multiples.

Our site has a variety of different pages to view.

- The **Home Page** shows you how to utilize the census.
- The **Methodology** page briefly outlines criteria and parameters utilized in the census.
- The **Glossary** lists and identifies all abbreviations and acronyms used.
- The **How to Help the Census** pages are the most important as the data presented thus far is only a start.
"The wonderful members of our hobby have to contribute if we are to create a truly accurate census."

Last but not least is a copy of the original Turner Census from the Daniel F. Kelleher Auction Catalogue of July 17-18, 1980, originally published in 1960.

The Turner Census is the genesis of this census- we are deeply appreciative.

END OF SALE — THANK YOU

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's NO SUBSTITUTE for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as "floor sale only." To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer's own policy.

There will be no added insurance charge for shipments of less than \$75,000 value. Shipments valued in excess of \$75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.

Standard Shipping Charges

Up to 2 lbs.	Fedex Envelope	\$20
Over 2 lbs.	Fedex Box	\$35 - \$50*
Outside US	Fedex	\$50 - \$100**
Bulky Lots	Fedex Ground or Express	By weight

* Up to \$75,000 value and up to 5 lbs; additional charge may apply to packages exceeding limits

** Buyers outside United States are liable for any applicable customs duty and clearance charges. An accurate declaration of contents and value will be made on all packages and import/export documents. **Siegel may refuse to ship lots to certain countries with a high risk factor.**
