## Information for Bidders

### Bidding

The following means are available for placing bids:

- 1) Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

### Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

### Expert Certification

Individual items offered without a PF or PSE certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

### Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

### Price Realized

Prices realized are sent with each invoice. Bidders with e-mail will receive a Bid Results report after the sale. Session results are posted immediately to [siegelauctions.com](http://siegelauctions.com)

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

**There's NO SUBSTITUTE for following the auction in real time.**  
**Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.**  
**And it's easy.**

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

**Start by following the simple steps to become a registered Live Internet Bidder.**  
**Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.**

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

**I've already registered with SAN and have been approved by Siegel for internet bidding.**

**I'm a Siegel client, but I'm not registered with SAN.**

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

**I've bid through SAN before, but this is the first time I've bid in a Siegel sale.**

Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

**I've never bid with Siegel, nor registered with SAN.**

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

**"System Down" or "Lost Connection" events do occasionally happen.**

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

## Conditions of Sale (please read carefully before bidding)

**THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. ("GALLERIES") ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.**

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 15% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**
2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.
3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.
4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**
5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date.**  
**(5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.**
6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer's premium, shipping and transit insurance charges and any applicable taxes).**
7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 per check will be charged for each check returned for insufficient funds.
8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a P.F. or P.S.E. certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer's behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be "not as described", the buyer will be refunded the purchase price and the certification fee up to \$800.00 unless otherwise agreed to in writing.
9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.
10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.
11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. **Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.**
12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries' reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

## Grades, Abbreviations and Values Used in Descriptions

### Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population Report<sup>SM</sup> is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

**Extremely Fine Gem (90-100):** The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

**Extremely Fine (80-90):** Exceptionally large/wide margins or near perfect centering.

**Very Fine (70-85):** Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

**Fine (60-70):** Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

**Very Good (below 60):** Attractive appearance, but margins or perforations cut into the design.

| PRE-1890 ISSUES   | <i>Pre-1890 stamps in these categories trade at a premium over Scott value</i>  |  |   | Scott Value for “O.G.”   |  | Scott “No Gum” Values thru No. 218   |
| 1890-1935 ISSUES  | Scott “Never Hinged” Values for Nos. 219-771  | Scott Value for “O.G.” (Actual value will be affected by the degree of hinging)  |   | <b>Disturbed Original Gum:</b> Gum showing noticeable effects of humidity, climate or hinging over more than half of the gum. The significance of gum disturbance in valuing a stamp in any of the Original Gum categories depends on the degree of disturbance, the rarity and normal gum condition of the issue and other variables affecting quality. For example, stamps issued in tropical climates are expected to have some gum disturbance due to humidity, and such condition is not considered a negative factor in pricing. |  |  |

### Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

### Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

SESSION ONE (LOTS 1-156)  
TUESDAY, OCTOBER 27, 2015, AT 10:30 A.M.

UNITED STATES STAMPS  
POSTMASTERS' PROVISIONALS

- 1 (★) **New York N.Y., 5c Black, Se-Tenant Pair, "ACM" and "AC M" Initials (9X1-9X1a).** Positions 33-34, horizontal pair with the right stamp No. 9X1a, **unused** (no gum), large margins, faults including both stamps with sealed tears, right stamp also with diagonal crease

VERY FINE APPEARANCE. AN EXTREMELY RARE UNUSED PAIR OF THE NEW YORK POSTMASTER'S PROVISIONAL WITH A COMBINATION OF "ACM" AND "AC M" INITIALS.

This is the only unused example of this signature combination we have encountered. Ex Frelinghuysen. With 2012 P.F. certificate. Unpriced in Scott as unused combination pair. Scott Retail as used..... 4,750.00

- 2 (★) **New York N.Y., 5c Black, "ACM" Initials (9X1).** Position 13, unused (no gum), ample to huge margins, exceptionally fresh, Very Fine and choice, with 1983 P.F. certificate, Scott Retail as original gum ..... 1,500.00
- 3 **New York N.Y., 5c Black, Without Signature (9X1e).** Position 25, full margins all around, crisp impression, black ms. cancel, certificate notes lightened staining, Very Fine appearance, with 1991 P.F. certificate..... 975.00
- 4 ★ **Providence R.I., 5c Gray Black (10X1).** Position 1, original gum, large to huge margins including **top left corner sheet margins**, intense shade, Extremely Fine, with 2000 P.F. certificate ..... 350.00

5

1847 ISSUE

- 5 **5c Red Brown (1).** Large margins to clear, warm shade (possibly an 1851 Orange Brown) nicely complemented by well-struck **blue "Way 6" in double-circle with fleurons**, used at Mobile Ala., a rare waterway marking (Simpson-Alexander Rarity 9), small thin spot at top, light vertical crease, Very Fine strike of the "Way 6" handstamp, we recall only one or two other examples on the 5c 1847 ..... E. 1,000-1,500

6

6

**5c Orange Brown (1b).** Large margins to just in at right, bright late printing shade, clear strike of **blue “Paid 3” in circle** — **post-July 1, 1851** handstamp cancel, light vertical crease at left

FINE APPEARANCE. AN OUTSTANDING AND EXTREMELY RARE DEMONETIZED USE OF THE 5-CENT 1847 ISSUE.

Prior to July 1, 1851, there was no 3c rate for letters — the rates were 5c and 10c. The July 1 rate change to 3c (for under 3,000 miles) coincided with the demonetization of the 1847 Issue and the introduction of the 1851 Issue. Therefore, this handstamp must have been applied after the 1847 stamps were declared invalid for use. We do not recall seeing another example of the “Paid 3” handstamp on an 1847 stamp and a search of the on-line USPCS census failed to find one on cover

## 1851-56 ISSUE

12°★★ **1c Blue, Ty. IV (9). Mint N.H.**, enormous margins all around including parts of all nine surrounding stamps, deep rich color and proof-like impression

EXTREMELY FINE GEM. THIS MAGNIFICENT MINT NEVER-HINGED EXAMPLE OF THE 1851 ONE-CENT TYPE IV HAS BEEN GRADED GEM 100 JUMBO BY P.S.E., WHICH IS THE HIGHEST GRADE ATTAINABLE. THE ESSENCE OF PERFECTION.

Many collectors have a tendency to discount how difficult it is to find imperforate classics in such superb condition. The assumption is that there are multiples which can be split to “make” perfect singles. However, one would have to find a block of nine with no hinging in the surrounding stamps that are included in order to produce the Gem offered here. For all the imperforate issues (Scott 1-17), only four stamps in total have achieved this ultimate grade in Mint N.H. condition — two of Scott 9 and two of Scott 11.

With 2015 P.S.E. certificate (Gem 100; unpriced in SMQ in Mint N.H. condition). Scott 9 is priced at the grade of 100 in hinged condition, at \$13,000.00. This does not take into consideration any multiplier for Mint N.H. condition or for the higher grade. ... 750.00

31° ★ **5c Red Brown (28).** Original gum, single hinge mark, deep rich color and proof-like impression, completely sound

VERY FINE. THIS IS WITHOUT QUESTION ONE OF THE MOST PRISTINE ORIGINAL-GUM EXAMPLES OF THE 1857 5-CENT RED BROWN. A PHENOMENAL RARITY.

The perforated 5c "1856" Red Brown (Scott 28) stamps were made from the stock of imperforate stamps on hand in 1857 when perforations were introduced. The 1858 printing, the first after perforations were introduced, was in the Bright Red Brown and Indian Red shades. The perforated 5c Type I stamps in any shade of Red Brown are very rare in unused or original-gum condition. In the past 14 years we have offered over 200,000 auction lots. During that time, we have sold only four other Scott 28 singles with original gum and the block of four in the Whitman sale. Of the other singles, only two were completely sound (one from the Whitman collection, one in our 2014 Rarities sale). A search of the records at the Philatelic Foundation for sound copies found only these other two. In our opinion, the Scott Catalogue value for Scott 28 with original gum is too low. The number of original-gum Scott 28 singles falls somewhere between the numbers for the Brick Red (Scott 27) and the Indian Red (Scott 28A), which catalogue \$80,000.00 and \$175,000.00, respectively.

Rothfuchs, a Washington D.C. stamp dealer, obtained a supply of the 3c Scarlet in 1893 — probably from the Post Office Department in exchange for his assistance with the Columbian Exposition — and sold them with pen marks and original gum. The 12c Re-Issue was printed from a new plate of 100 subjects, compared to the original plate of 200 in two panes. 10,000 stamps were printed (100 impressions). Only 389 of the 12c were sold; the remaining 9,611 were destroyed on July 16, 1884.

Our census of Scott 107 used, available at our website at <http://siegelauctions.com/dynamic/census/107/107.pdf>, records only fourteen examples. Of these, only nine are potentially sound. Two of the nine have not been examined since the early 1970's and are not confirmed as sound, leaving only seven confirmed sound copies.

- The 50c Columbian is far rarer as a plate number block of eight than six. We located only ten plate blocks of this size using Power Search. The 50c was printed from a single plate of 100 subjects, and then divided into panes of 50 (5 x 10) for shipment and sale at post offices. 151 ★★ **\$4.00 Columbian (244)**. Mint N.H., brilliant color and detailed impression, gorgeous centering with wide and balanced margins

EXTREMELY FINE GEM. A PHENOMENAL MINT NEVER-HINGED EXAMPLE OF THE \$4.00 COLUMBIAN ISSUE, WHICH HAS BEEN GRADED XF 90 BY P.S.E. — THIS IS A DIFFICULT ISSUE TO FIND IN SUCH A HIGH GRADE.

The \$4.00 Columbian depicts the two central figures in the story of Columbus — Queen Isabella and Columbus himself. The portrait of Isabella is said to be based on a painting in Madrid, but its origins have been lost to history. The portrait of Columbus is based on a painting by the artist Lorenzo Lotto (c. 1480-1556). This portrait of Columbus was painted in 1512 as a commission from Domenico Malpiero, a Venetian senator and historian, and was executed shortly after the death of Columbus in 1504. It is one of the earliest portraits of Columbus (none is known to have been painted in his lifetime). This image was also used for several stamps of Chile.

P.S.E. Encapsulated (XF 90; SMQ \$17,000.00). Only four have graded higher (all at 95) and only four others share this grade. In our opinion, this magnificent stamp, graded XF 90 strictly “by the numbers,” is the equal of the \$4.00 Columbian stamps graded XF-Superb 95. .... 7,000.00

VERY FINE. A SPECTACULAR RARITY OF PLATE NUMBER COLLECTING. THIS LITHOGRAPH GRAY PLATE NO. 33128 ON THE 1971 "SPACE TWINS" ISSUE IS UNIQUE.

Normal engraved (Giori press) black plate nos. ranging from 33138 thru 33162 are recorded for this issue. The presence of the gray lithograph plate no. could occur only due to a large foldover, as the edges of the sheets were trimmed, removing the plate nos. This is a remarkable occurrence as a foldover this large would normally be detected by inspectors. Very few modern issues are known with a lithograph plate no. A similar foldover plate no. multiple, on the \$1.00 Candleholder Issue (Scott 1610), realized \$17,500.00 hammer in our Sale 1037, lot 2171.

## END OF SESSION FOUR

# Live Internet Bidding at Siegel Auctions

## BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

**There's NO SUBSTITUTE for following the auction in real time.**  
**Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.**  
**And it's easy.**

**This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.**

**Start by following the simple steps to become a registered Live Internet Bidder.**  
**Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.**

### Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).  
To bid, you must be registered and approved by *both* SAN and Siegel.  
To decide what you need to do, choose the description below that best fits you.

**I've already registered with SAN and have been approved by Siegel for internet bidding.**

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

**I'm a Siegel client, but I'm not registered with SAN.**

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

### Log on to the auction at [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel).

You can also log on at [siegelauctions.com](http://siegelauctions.com)

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

**I've bid through SAN before, but this is the first time I've bid in a Siegel sale.**

Then you just need to be approved by Siegel. Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

**I've never bid with Siegel, nor registered with SAN.**

Go to [stampauctionnetwork.com/siegel](http://stampauctionnetwork.com/siegel) and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

**"System Down" or "Lost Connection" events do occasionally happen.**

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

## Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as "floor sale only." To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer's own policy.

There will be no added insurance charge for shipments of less than \$75,000 value. Shipments valued in excess of \$75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.

### Standard Shipping Charges
