Information for Bidders

Bidding

The following means are available for placing bids:

- 1) **Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) **Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) **Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) **Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or e-mail should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. E-mail and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or e-mail have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Expert Certification

Individual items offered without a certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

Price Realized

Prices realized are sent with each invoice. Bidders with e-mail will receive a Bid Results report after the sale. Session results are posted immediately to siegelauctions.com

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's **NO SUBSTITUTE** for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with **STAMP AUCTION NETWORK & SIEGEL INTERNATIONAL—SHREVE**

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. SIEGEL INTERNATIONAL—SHREVE (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. SIEGEL INTERNATIONAL—SHREVE (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Conditions of Sale (please read carefully before bidding)

THE PROPERTY DESCRIBED IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL INTERNATIONAL—SHREVE, INC. (“GALLERIES”) ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR BY OR THROUGH AN AGENT, IN PERSON, OR BY TELEPHONE, FACSIMILE OR ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term “final bid” means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 18% of the final bid (“buyer’s premium”), together with any sales tax, use tax or customs duties due on the sale.**
2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries’ record of the final sale shall be conclusive.
3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.
4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid (“reserve”), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as “passed” and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**
5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which have been misidentified or which have obvious faults that were present when the lot was in the Galleries’ custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date.**
(5A) EXCLUSIONS: The following lots may not be returned for any reason, or may not be returned for the reasons stated: i) lots containing 10 or more items; ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; iii) any lot described with “faults,” “defects” or a specific fault may not be returned because of any secondary fault; iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the illustrations; v) the color of the item does not match the color reproduction in the sale catalogue or website listing; vi) the description contains inaccurate information about the quantity known or reported; or vii) a certification service grades a stamp lower than the grade stated in the description.
6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make payment in full before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down to the highest bidder, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment but will be subject to a 3% Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer’s premium, shipping**

and transit insurance charges and any applicable taxes).

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots will be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 per check will be charged for each check returned for insufficient funds.
8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation, British Philatelic Association, Royal Philatelic Society of London or any other authority recognized by the A.I.E.P. in a specific area of expertise, and dated within 5 years of the sale date, is sold “as is” and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion.** Buyers who wish to obtain a certificate for any item that does not have a certificate (dated as above) may do so, provided that the following conditions are met: (1) the purchase price must be paid in full, (2) the item must be submitted to an acceptable expertizing committee with a properly executed application form within 21 days of the sale, (3) a copy of the application form must be given to the Galleries, (4) in the event that an adverse opinion is received, the Galleries retain the right to resubmit the item on the buyer’s behalf for reconsideration, without time limit or other restrictions, (5) unless written notification to the contrary is received, items submitted for certification will be considered cleared 90 days from the date of sale, and (6) in the event any item is determined to be “not as described”, the buyer will be refunded the purchase price and the certification fee up to \$800.00 unless otherwise agreed.
9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.
10. Agents executing bids on behalf of clients will be held responsible for all purchases made on behalf of clients unless otherwise arranged prior to the sale.
11. The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. **Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, and buyers outside the U.S. are responsible for all customs duties.**
12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries’ reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term “Gem” describes condition that is the finest possible for the issue. This term is equivalent to “Superb” used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. “Very Fine and choice” applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an “E.” and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

VERY FINE. A FABULOUS EXAMPLE OF THIS STRIKING AND VERY RARE ERROR.

When the first stamps from plate 77 were produced, the “A” from position “B-A” was missing. This unusual error is commonly known as the “B-blank” error. The error was soon discovered and corrected, which is known as Plate 77b. An example of the corrected variety is also included in this lot (it has a minor corner fault). Even the corrected variety is scarce and catalogues £1,900 in the Stanley Gibbons Specialised Catalogue (No. BS29b).

An immensely rare error, it is missing from many advanced Line Engraved Collections. Our firm has not offered one in the last thirty years. This example was last offered at auction in the 1962 Robson Lowe sale of Father Arnold Jordan S.J., where it was described as “The finest known example of this rarity.”

With 1949 R.P.S. certificate. Catalogue values are solely for the B-blank error. SG £26,000..... 25,000.00

- 327° **1850, 8c Black on Green, “Cotton Reel” (4; SG 4).** Cut round, initialed “E. D. W.” (Edmond Dalzell Wight, clerk to the Colonial Post Office), deep paper color, neatly cancelled by July 13, 1851 Demerara circular datestamp, trivial small thin at bottom right VERY FINE APPEARING EXAMPLE OF THE 1850 8-CENTS COTTON REEL. ONE OF THE MOST RECOGNIZABLE AND ICONIC STAMPS IN ALL OF PHILATELY.

The first stamps of British Guiana were issued in July 1850, in denominations of 2c, 4c, 8c and 12c. They were printed at the offices of the Royal Gazette of British Guiana newspaper. Quickly produced from printer's type and a printer's rule bent into a crude circle, the stamps earned the nickname “Cotton Reel” from collectors because they look similar to labels on the wooden ends of a reel of cotton thread. Each stamp was initialed as a control to prevent either theft or counterfeiting. The “E.D.W.” initials of Edmond D. Wight also appear on the famous 1c Magenta British Guiana stamp.

The overall condition of this example is far superior to most. Its impression, initials and cancel are all quite clear. Most have faults much more severe than the inconsequential tiny thin this stamp has.

AN IMPORTANT AND EXCEPTIONAL COMPLETE SET OF THE CANADA 1897 JUBILEE ISSUE IN MARGIN BLOCKS OF TEN, INCLUDING SIX PLATE BLOCKS.

The Diamond Jubilee Issue of 1897 was Canada's first commemorative set. It was also the first issue supplied by the American Bank Note Company, Ottawa. The designs were by Lynwood Pereira and the portraits of the Queen were based on the famous Chalon vignette and the painting by Prof. Von Angeli of Vienna. (Bogg, p. 317). The ½c thru 8c values were printed in sheets of 100, while the 10c thru \$5.00 values were printed in sheets of 50. Like the Columbian Issue of the United States, a full set of stamps was costly, setting the collector back \$16.21½ for a set, or \$162.15 for blocks of ten.

Following are formats and condition notes for each of the 16 blocks in the set:

VERY FINE. AN IMPORTANT RARITY OF THE BRITISH EMPIRE.

Only two Six Pence sheets of 60 stamps were inadvertently surcharged One Penny instead of Half Penny. The One Shilling stamp was supposed to get the One Penny surcharge. Most were destroyed, but the Treasurer of Dominica saved twelve stamps - two unused examples and ten were mailed on an envelope to a stamp dealer friend (and where this example originated). A handful of stamps from the other sheet have surfaced. It is believed today about fourteen used and two unused examples exist.

Accompanied by a photocopy of a large part of the original envelope on which they were used, showing the placement of seven of the stamps. Ex "Isleham" and "Dallas". With 1952 R.P.S. certificate. SG £10,000 12,500.00

While individual values of the first Postage Dues in gutter pairs are offered from time to time, we could not locate another complete set. We checked with several New Zealand specialists, and none could recall a complete set in gutter pairs. The Scott Retail value of \$1,726.00 as hinged singles seems irrelevant, given these are all never hinged and contained within very rare gutter pairs.....(Photo Ex) E. 2,000-3,000

VERY FINE. A REMARKABLE ONE-CENT RED REVENUE COVER USED WITH 2-CENT LARGE DOWAGERS, GOING VIA THE JAPANESE POST OFFICE TO THE UNITED STATES. THIS MAJOR MIXED COMBINATION RARITY WAS RECENTLY DISCOVERED AND IS OFFERED FOR THE FIRST TIME. ARGUABLY ONE OF THE MOST HANDSOME RED REVENUE COVERS IN EXISTENCE.

On February 20, 1897, a new national postal service was inaugurated. Prior to this, an order was made with a printer in Japan for the new stamps. Unfortunately, the printer was unable to supply the stamps in time for the inauguration. Prior to this in 1896, 650,000 Red Revenues had been ordered for a new proposed taxation. Quickly abandoned due to public outcry, these stamps lay dormant in Shanghai. They were pressed into service with new overprints for postal use.

Interestingly enough, this cover was posted from Chungking (Chongqing) on Sept. 27, just days prior to the change in treaty that took affect on Oct. 1. By the time this cover arrived at the Japanese Post Office in Shanghai, the rate to the United States went from 5 sen to 10 sen - hence the Postage Due charge. This is **one of the few covers** known caught between rate changes as well as a Red Revenue stamp used in combination with U.S. Postage Due.

This cover emanated from an old New England collection formed in the 1920s and 1930s and is offered for the first time..... E. 15,000-20,000

GENEVA
THE FAMOUS “DOUBLE GENEVA” IN OUTSTANDING QUALITY

1601

1601 **1843, 5c + 5c Black on Yellow Green, “Double Geneva” (2L1; Zumstein 3).** Huge to large margins including parts of dividing lines on all four sides, superbly detailed impression on incredibly fresh paper, beautifully struck red Geneva Rosette cancel

EXTREMELY FINE GEM. A WONDERFUL EXAMPLE OF THE RARE SWITZERLAND DOUBLE-GENEVA IN THE FINEST CONDITION AVAILABLE.

The Double Geneva was the first stamp issued by the Canton of Geneva, on October 1, 1843. The stamps were lithographed on green paper by M. Schmidt, a local printer, in sheets consisting of fifty double-stamps to a sheet. The total printing was 600 sheets. As quoted in *Stamps of Fame* by L.N. & M. Williams, a contemporary observation before the issue of the Double Geneva reads “Such labels are sold at post offices at 10 centimes each; and when required to do so stationers fasten them beforehand on envelopes, which they sell plus the cost of the ticket. People keep them ready to hand, just as they do their pens and wafers. Many are lost, but this is so much profit to the Post Office. Moreover one uses them more readily than money...it would be a savings to allow two labels to serve for a double letter, or one for every ounce.”

The vast majority of Double Geneva stamps are cut in on at least one side and/or have faults. This example is the rare exception. In fact, it ranks as one of the very finest known. Its large margins, beautiful color, proof-like impression and perfect cancel all combine to make this one of the most eye appealing copies in existence.

END OF SALE — THANK YOU

Live Internet Bidding at Siegel Auctions

BIDDING FROM YOUR COMPUTER LETS YOU BE PART OF THE LIVE AUCTION FROM ANYWHERE IN THE WORLD!

There's **NO SUBSTITUTE** for following the auction in real time.
Live Internet Bidding lets you bid and buy as though you were right there in the saleroom.
And it's easy.

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.
Once you've been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with **STAMP AUCTION NETWORK & SIEGEL INTERNATIONAL—SHREVE**

Live Internet Bidding is managed by Stamp Auction Network (SAN).
To bid, you must be registered and approved by *both* SAN and Siegel.
To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

I'm a Siegel client, but I'm not registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. SIEGEL INTERNATIONAL—SHREVE (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

Log on to the auction at stampauctionnetwork.com/siegel.

You can also log on at siegelauctions.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale.

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN.

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. SIEGEL INTERNATIONAL—SHREVE (under "R") and submit the form **with your trade references** (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

"System Down" or "Lost Connection" events do occasionally happen.

If you have any problems with Live Internet Bidding please call **212-753-6421** for immediate assistance.

Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as "floor sale only." To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer's own policy.

There will be no added insurance charge for shipments of less than \$75,000 value. Shipments valued in excess of \$75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.
