- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or email should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. Email and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or email have been received and entered.

Live Internet Bidding at Siegel Auctions

REGISTERED BIDDERS MAY BID IN THIS SALE USING LIVE INTERNET BIDDING

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.

Once you have been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).

To bid, you must be registered and approved by both SAN and Siegel.

To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding

I'm a Siegel client, but I'm not registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form with your trade references (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

Conditions of Sale (please read carefully before bidding)

THE PROPERTY IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. ("GALLERIES") ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR THROUGH A THIRD PARTY, IN PERSON, BY TELEPHONE, FACSIMILE, INTERNET OR BY ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 18% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which, subject to the Galleries' sole judgment, have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS:** The following lots may not be returned for any reason, or may not be returned for the reasons stated: (i) lots containing 5 or more items; (ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; (iii) any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault; (iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the photos; (v) the color of the item does not match the color photo in the sale catalogue or website listing; (vi) the description contains inaccurate information about the quantity known or reported; or (vii) a certification service grades a stamp lower than the grade stated in the description or on an accompanying certificate.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make full payment in cleared funds before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment, but will be subject to a 3% non-refundable Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer's premium, shipping and transit insurance charges and any applicable taxes). The buyer waives the right to dispute all credit card charges.**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots may be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer, and/or the Galleries may seek any other remedy prescribed by law to enforce payment. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 will be charged for a check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion or change in grade.** Buyers may request a certificate for a lot containing not more than one item, which does not have a P.F. or P.S.E. certificate (dated as above), provided that the following conditions are met: (i) the purchase price must be paid in full, (ii) if submitted by the buyer, the lot must be submitted to an acceptable expertizing service with a properly executed application form within 21 days of the sale, (iii) a copy of the application form must be given to the Galleries, (iv) the Galleries retains the right to resubmit the item for reconsideration, without time limit or other restrictions, for the purpose of obtaining a satisfactory opinion, (v) lots submitted for certification will be considered cleared 90 days from the date of sale, whether or not a certificate has been issued, unless the Galleries issues written approval of a further extension of return privileges, and (vi) in the event the lot is determined to be misidentified or misdescribed, pursuant to 5 and 5(A) of these Conditions, the Galleries will issue a refund to the buyer for the full purchase price and actual certification fees, but the reimbursement for certificate fees (and related costs) shall not exceed 10% of the hammer price of the lot. **Changes to a grade by the same certification service or a different grade from another certification service are not grounds for returning a lot.**

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients may also be held responsible for all purchases made on behalf of clients, unless otherwise arranged prior to the sale.

11. **The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, at any time, and buyers outside the U.S. are responsible for all customs duties.**

12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries' reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

Revised 9/2018

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

FINE TO EXTREMELY FINE. A RARE ORIGINAL-GUM BLOCK OF SIX OF THE 5-CENT 1847 ISSUE. THIS REMARKABLE BLOCK WAS DISCOVERED IN THE RIVES FAMILY BIBLE, ALONG WITH THE 10-CENT 1847 ISSUE BLOCK OF SIX OFFERED IN OUR 2018 AUCTION OF THE WILLIAM H. GROSS COLLECTION. A REMARKABLE RARITY.

The 1847 Issue is much scarcer in unused condition than other issues, because the stamps were demonetized in 1851. They could be exchanged for the new issue, but once the exchange period ended, the stamps would have no postage value. Considering the purchasing power of five or ten cents in 1851, it is not surprising that the stamps were either used or exchanged, rather than left for future generations of collectors in a hobby that did not yet exist.

According to information uncovered during our research of the 10c 1847 Issue block of six, the block offered here was discovered, with the 10c block of six, in the Rives family bible, sometime between 1909 and 1912. It was first sold at auction by Philadelphia Stamp Co. on June 28, 1912, where it realized \$190, or three times catalogue value. For a full description of the discovery, go to <https://siegelauctions.com/2018/1188/14.pdf>.

1576

EXTREMELY FINE APPEARANCE. AN OUTSTANDING AND RARE ORIGINAL-GUM EXAMPLE OF THE 1851 ONE-CENT FROM POSITION 91L ON PLATE ONE EARLY, WITH TRIPLE TRANSFER, ONE INVERTED.

The inverted transfers on Positions 71L, 81L and 91L1E (offered here) were made after the top row of the right pane of Plate 1 Early was entered from the Type I single-relief transfer roll. According to Richard Celler's theory (see Siegel Encyclopedia at <http://siegelauctions.com/enc/pdf/1c1851.pdf>), the three inverted transfers were made from a Type I design 3-relief transfer roll as a sort of trial after the top row entries had been made and the plate was turned around 180 degrees. When another plate ("Plate 0") had to be discarded, the siderographer returned to Plate 1 and erased the three inverted transfers before completing the plate with entries surrounding 3R to 10R. Positions 71L and 81L are double transfers. Position 91L was entered a total of three times, so it is a triple transfer, one inverted. When the plate was reworked in 1852, 71L and 81L were re-entered (but not 91L), making them all triple transfers, one inverted.

VERY FINE AND CHOICE. AN ATTRACTIVE EXAMPLE OF THE 1857 ONE-CENT PERFORATED TYPE III STAMP WHICH CLEARLY SHOWS THE CHARACTERISTICS OF THE TYPE.

Due to narrow spacing on the plate, examples of this type often have the perforations cutting into the outer lines at either top or bottom or both. The example offered here clearly presents the characteristics of the type.

Feb. 22" circular datestamps and "PAID" handstamps neatly applied, due to its size we did not dip this but it looks to be in excellent condition aside from a small tear in the bottom stamp

VERY FINE. A REMARKABLE BLOCK OF 15 OF THE 1857 ONE-CENT TYPE Va. THIS IS ONE OF THE LARGEST RECORDED MULTIPLES FROM PLATE 5.

This scarce sub-type, Type Va, comes only from Plate 5. The ornaments at right are almost complete, and they do not have any of the scratches at sides that are seen on the Type V stamps. The largest recorded multiples from Plate 5 are a block of 20, followed by this block of 15. This block is noted on pp. 324-325 of the Neinken book.

EXTREMELY FINE GEM EXAMPLE OF THE 5-CENT 1857 REPRINT. THIS STUNNING STAMP IS GRADED XF-SUPERB 95 BY P.S.E., WHICH IS THE HIGHEST GRADE AWARDED.

As collectors of high-grade stamps know only too well, the 5c 1857 Reprint (878 sold) is notorious for its typically tight margins and poor centering. Before seeing this stamp, we doubted that any example could achieve the coveted XF-Superb 95 grade.

Ex Whitman, Merlin and "Hanover". With 2011 and 2016 P.S.E. certificates (XF-Superb 95; SMQ \$11,500.00). This is the highest grade awarded and only one other example has equaled it. 1,150.00

1861-66 ISSUE

1645

- 1645 ★ **90c Blue, First Design (62).** Original gum, choice centering with well-balanced margins, deep shade and proof-like impression, slightly rounded corner at top left not mentioned on either accompanying certificate, tiny thin spot at top center

EXTREMELY FINE APPEARANCE. THE SECOND RAREST STAMP OF THE 1861 FIRST DESIGNS AND COLORS. ONLY EIGHT EXAMPLES OF THE 90-CENT FIRST DESIGN WITH ORIGINAL GUM ARE RECORDED. A BEAUTIFUL AND EXTREMELY RARE CLASSIC STAMP.

Our census of Scott 62, available at <https://siegelauctions.com/census/us/scott/62>, contains 22 examples, including one copy in the New York Public Library collection and another copy certified as a privately-perforated No. 62a, which comes from a set in the Col. Green sale that was signed by John Luff (we believe this stamp to be genuine). Another has been certified as genuine with a trial cancel. Excluding the NYPL copy and the ex-Green stamp just noted, only eight examples of the 90c First Design are available with original gum. Of these eight, only three are sound. The example offered here, with a tiny thin spot, has one of the least noticeable faults of the remaining five original-gum stamps.

Census No. 62-OG-03. Ex "Bayou". With 1955 and 2001 P.F. certificates, the former not mentioning the tiny thin spot. 50,000.00

2c Black, Die I, Large Die Proof on India (73P1). 45 x 57mm, removed from original card but not thinned, showing albino impression of die no. 1030 and imprint at bottom, small inclusion at bottom well clear of design

VERY FINE. AN EXTREMELY RARE DIE I LARGE DIE PROOF OF THE 1863 2-CENT BLACK JACK ISSUE.

The original state of the Black Jack die, or Die I, does not show the star on Jackson's right cheek or the dots in the upper left scroll. Proofs pulled from this first die date to the issuance of the stamp in 1863. Die II proofs, showing the star on cheek and dots in upper left scroll, were pulled later, including probably at the time of the 1875 Re-Issue (which also shows Die II characteristics).

The Die I Black Jack large die proof is extremely rare in any size. There is only one recorded full-size non-hybrid example (ex Metzger and Faust). There are probably fewer than five total in existence in any size and none are die sunk.

FINE APPEARING AND RARE EXAMPLE OF THE ATHERTON SHIFT — THE MOST PRONOUNCED DOUBLE TRANSFER OF THE BLACK JACK ISSUE.

According to the Allen book, the Atherton shift got its name from Stanley Ashbrook, who first discovered it in the summer of 1923 in the collection of J. P. Atherton. Concerning this double transfer, Mr. Ashbrook wrote: "Here we have one of the most remarkable double transfers on U. S. stamps that I have ever seen. I have for years classed the One Cent 1851, Type II, 89R2, as the No. 1 among remarkable examples of this variety and in my opinion this 2c Black Jack could well rank as No. 2. Perhaps some would even rank it equal to the 1c..." He stated further that it was his opinion, supported by other authorities whom he had consulted, that the variety must surely have come from an early or first condition of one of the plates, and that later it had been burnished out and a fresh entry made. The fact that every line in the Atherton Shift "is razor sharp" led him to conclude that the plate from which it came was very new.

- 1693 ★ 2c Black, Z. Grill (85B). Block of four, original gum called "disturbed" on accompanying certificate but it is very typical of the 2c Z Grill and we would not describe it as such, light red offset on gum from 3c 1861 Issue, h.r. at top, clearly-defined grills which show the Z Grill characteristics, horizontal crease at bottom causing some grill point holes, natural pre-print creases in other stamps, tiny thin spots

VERY GOOD APPEARANCE. THIS 1868 2-CENT Z GRILL BLOCK IS ONE OF THE RAREST OF ALL GRILLED ISSUE MULTIPLES. PERHAPS THREE ARE KNOWN AND ALL HAVE SIMILAR CENTERING.

Only a small quantity of 2c sheets were grilled during the period when the Z device was active — after the D Grill (Scott 84), the Z is the rarest of Black Jack grilled stamps. We were only able to locate two other unused blocks. One was a rejoined block offered in our 2014 Curtis sale (also ex Allen and Metzger), which had traces of original gum. An intact block was offered in our sale of the Richard Drews collection (Siegel Sale 1195, lot 348). The block offered in our 1970 Rarities sale has likely been broken, since the bottom stamps were sound.

EXTREMELY FINE GEM. A SUPERB ORIGINAL-GUM EXAMPLE OF THE 1870 90-CENT UNGRILLED NATIONAL BANK NOTE ISSUE, GRADED XF-SUPERB 95. THIS IS THE HIGHEST GRADE AWARDED.

In general, the Grilled National Bank Note Issues in superb original-gum condition overshadow their ungrilled counterparts. This is also true for the 90c. However, in the case of the 90c, collectors are frequently misled by the availability of Scott 166, the 1873 Continental printing. The difference in shades is distinct, yet collectors have a tendency to under-rate the 1870 National printing. Most original-gum examples are poorly centered. This example is remarkable for its centering and freshness of color.

Stamps from at least two panes reached collectors, and the few cancelled examples indicate that stamps used by the public came from additional panes. It is likely that a number of full sheets were printed using the wrong ink, and most of the stamps have simply been lost to philately.

EXTREMELY FINE GEM. A PHENOMENAL MINT NEVER-HINGED EXAMPLE OF THE \$4.00 COLUMBIAN ISSUE, WHICH HAS BEEN GRADED XF 90 BY P.S.E. — THIS IS A DIFFICULT ISSUE TO FIND IN SUCH A HIGH GRADE.

The \$4.00 Columbian depicts the two central figures in the story of Columbus — Queen Isabella and Columbus himself. The portrait of Isabella is said to be based on a painting in Madrid, but its origins have been lost to history. The portrait of Columbus is based on a painting by the artist Lorenzo Lotto (c. 1480-1556). This portrait of Columbus was painted in 1512 as a commission from Domenico Malpiero, a Venetian senator and historian, and was executed shortly after the death of Columbus in 1504. It is one of the earliest portraits of Columbus (none is known to have been painted in his lifetime). This image was also used for several stamps of Chile.

With 2015 P.S.E. certificate (XF 90; SMQ \$16,000.00). Only five have graded higher (all at 95) and only five others share this grade. In our opinion, this magnificent stamp, graded XF 90 strictly “by the numbers,” is the equal of the \$4.00 Columbian stamps graded XF-Superb 95. 7,000.00

EXTREMELY FINE GEM. THIS MAY WELL BE THE FINEST USED EXAMPLE OF THE 1894 TYPE II UNWATERMARKED BUREAU ISSUE. THIS IS ONE OF THE MOST DIFFICULT ISSUES TO OBTAIN WITH SUCH CHOICE CENTERING.

The \$1.00 Type II, which is defined as having the complete circle around the left "\$1", occurred on only 50 of the 200 subjects of Plate 76. It is believed that only 8,762 were issued. This is a miniscule number when compared to the previous \$1.00 stamp of the Columbian series (55,050 issued) and its watermarked counterpart (Scott 276A with 63,803 issued). They were mostly used on parcels or other oversize or heavy mailings. The stamps on these mailings tend to be damaged from use or were discarded, resulting in a small population of sound used stamps. *Linn's Stamp Facts* estimates less than ten covers are known.

To extrapolate a potential SMQ value for this issue in the grade of 98, we looked at the other dollar value 1894-95 Bureaus in used condition. Six of the seven other dollar values are priced in SMQ in used condition at both 95 and 98. EXTREMELY FINE. THE 1908 5-CENT IMPERFORATE IS EXTREMELY RARE IN USED CONDITION, ESPECIALLY AS A MULTIPLE. THIS PAIR IS PARTICULARLY CHOICE.

According to Johl, only 29 sheets of 400 of the 5c imperforate were issued. Most were sent to Indianapolis and the majority was used by manufacturers of private coils. Some unused were no doubt kept by collectors — 825 copies were distributed to members of the Detroit Philatelic Society. It is possible that most of the used copies originate from this supply.

EXTREMELY FINE. A BEAUTIFUL MINT NEVER-HINGED GUIDE LINE PAIR OF THE 5-CENT PERF 12 VERTICAL COIL, SCOTT 351.

Interestingly, this is the only 5c Washington-Franklin perforated vertical coil stamp ever produced. Demand proved to be so low that no others were made.

According to Johl (Vol. 1, page 175), the only source of the 4c and 8c Bluish stamps was the archives of the Post Office Department. Approximately 80 of each were traded for rare stamps missing from the archives. Given the failed experimental nature of the paper mixture, it is no surprise that virtually all copies are off-center to some extent.

EXTREMELY FINE GEM. A STUNNING MINT NEVER-HINGED EXAMPLE OF THE 5-CENT PERF 12 PANAMA-PACIFIC ISSUE.

Ex Whitman and Merlin. With 2000 P.F. and 2008 P.S.E. certificates (Superb 98 Jumbo; SMQ \$1,750.00). Only one has graded higher (at 100J, we have never offered it) and only three others share this grade. This is the first in this grade we have offered since 2012, when we sold this exact stamp E. 1,000-1,500

1947

1947°★★ **10c Orange Yellow, Panama-Pacific (400).** Mint N.H., vibrant color, Jumbo margins and mathematically precise centering, tiny natural inclusion of no consequence not mentioned on accompanying certificates

EXTREMELY FINE GEM. A SUPERB MINT NEVER-HINGED EXAMPLE OF THE 10-CENT ORANGE YELLOW PERF 12 PANAMA-PACIFIC ISSUE. THIS IS GRADED SUPERB 98 JUMBO, WHICH IS THE HIGHEST GRADE AWARDED.

Ex Whitman and Merlin. With 1997 P.F. and 2009 P.S.E. certificates (Superb 98 Jumbo; SMQ \$3,450.00). This is the highest grade awarded and it is shared by only four others. This is the first in this grade we have offered since 2012, when we sold this exact stamp. E. 2,000-3,000

1948

1948°★★ **10c Orange, Panama-Pacific (400A).** Mint N.H. with **wide right plate no. 6139 selvage**, deep rich color and proof-like impression, mathematically perfect centering with Jumbo margins

EXTREMELY FINE GEM. THIS MAGNIFICENT MINT NEVER-HINGED EXAMPLE OF THE 10-CENT ORANGE PERF 12 PANAMA-PACIFIC ISSUE IS GRADED GEM 100 JUMBO BY P.S.E. — THIS IS THE HIGHEST GRADE POSSIBLE ON THE GRADING CHART AND THIS IS THE ONLY EXAMPLE TO ACHIEVE THIS GRADE.

With 1993 P.F. and 2007 P.S.E. certificates (Gem 100 Jumbo; unpriced above the grade of 100, SMQ \$5,850.00 as 100). This is the highest grade possible and it is the only example to achieve this grade. For all Panama-Pacific stamps (Scott 397-404), only two others have an example graded 100 Jumbo — Scott Nos. 397 (1c) and 399 (5c). Each has one copy at this grade. This is the only 10c stamp of the series to obtain this perfect grade.

..... E. 7,500-10,000

1949

1949°★★ **1c Panama-Pacific, Perf 10 (401).** Mint N.H., with **top plate no. 6944 selvage**, deep rich color and proof-like impression, gorgeous centering with wide and balanced margins, Extremely Fine Gem, a gorgeous stamp, with 1993 P.F. and 2007 P.S.E. certificates (Superb 98; SMQ \$900.00), only two have graded higher (one at 100, realized \$5,000 hammer in 2017 and one at 98J, we have never sold it), ten others share this grade but they rarely appear on the market — we have offered only one other, in 2013 E. 750-1,000

1950

1950°★★ **2c Panama-Pacific, Perf 10 (402).** Mint N.H., brilliant color on post-office fresh paper, perfectly centered with unusually wide margins

EXTREMELY FINE GEM. THIS STUNNING MINT NEVER-HINGED EXAMPLE OF THE 2-CENT PERF 10 PANAMA-PACIFIC ISSUE IS GRADED GEM 100 BY P.S.E. — THIS IS THE HIGHEST GRADE AWARDED AND THE ONLY EXAMPLE TO ACHIEVE THIS DESIRABLE GRADE.

With 2010 P.S.E. certificate (Gem 100; SMQ \$3,250.00). This is the highest grade awarded and it is the only example to achieve it. SMQ value is far too low, especially given the low population report numbers at higher grades. We sold the only example graded 98 Jumbo for \$15,500 hammer in 2010, and the last example graded 98 we sold (population of five) brought more than the SMQ value of this 100. E. 7,500-10,000

1951

1951°★★ **5c Panama-Pacific, Perf 10 (403).** Mint N.H., deep rich color on unusually bright paper, Jumbo margins and perfect centering

EXTREMELY FINE GEM. THIS IS WITHOUT QUESTION ONE OF THE FINEST MINT NEVER-HINGED EXAMPLES OF THE 5-CENT PERF 10 PANAMA-PACIFIC ISSUE. THIS MAGNIFICENT STAMP IS GRADED SUPERB 98 JUMBO BY P.S.E. — THIS IS THE HIGHEST GRADE AWARDED.

With 1983 P.F. and 2009 P.S.E. certificates (Superb 98 Jumbo; SMQ \$3,850.00 in no way reflects its true rarity — the SMQ value for a 98 is only \$250.00 less than this). This is the highest grade awarded and it is shared by only two others, a statistic that has not changed since 2009. We have offered only one of the others, which brought \$10,000 hammer in 2017..... E. 7,500-10,000

1952

1952°★★ **10c Panama-Pacific, Perf 10 (404).** Mint N.H., vibrant color and detailed impression on bright paper, almost mathematically perfect centering with wide margins

EXTREMELY FINE GEM. THIS MAGNIFICENT STAMP IS GRADED SUPERB 98 BY P.S.E. — ONLY TWO ARE GRADED HIGHER.

Long before numerical grading, the rarity of 10c Panama-Pacific Perf 10 stamps in superb condition (hinged or not) was well-established. The 10-gauge perfs on this issue are almost always uneven or shortened from separation. Centering is rarely above Fine. Finally, the Orange ink on many examples has darkened. This stamp is the exception on all counts.

With 2018 P.S.E. certificate (Superb 98; SMQ \$8,250.00). Only two Mint N.H. examples have graded higher (at 100, one of which realized \$35,000 hammer in our Sale 1075 in 2014)..... E. 7,500-10,000

POSTAGE DUE

2122

- 2122 ★ **1c Deep Brown, Special Printing (J8).** Original gum, deep rich color and detailed impression on bright paper

VERY FINE. A RARE SOUND ORIGINAL-GUM EXAMPLE OF THE ONE-CENT POSTAGE DUE SPECIAL PRINTING.

The 1c, 2c and 3c are undoubtedly the rarest values of the American Bank Note Co. Postage Due Special Printings, although the sold quantities in the official records are relatively high. William E. Mooz, in an article on the 1c appearing in *Chronicle* No. 170, May 1996, offers evidence to support his theory that the actual number of true Special Printings sold was significantly lower than the reported figures. For the 1c, Mooz estimates 500 sold, but it is possible that as many as 400 purchased by G. B. Calman were destroyed. It is widely accepted that nearly 9,000 1c stamps sold as Special Printings were actually regular issues.

With 1999 P.F. certificate..... 16,000.00

VERY FINE APPEARING ORIGINAL-GUM EXAMPLE OF THE 1879 2-CENT POSTAGE DUE SPECIAL PRINTING.

The reported sale figures for the rare 1c, 2c and 3c Postage Due Special Printings probably include orders filled with regular stamps, as all three are far rarer than the reported sales numbers would suggest. This is rarely offered with any form of original gum.

With 1995 P.F. certificate stating original gum..... 15,000.00

EXTREMELY FINE. THE 3-CENT IS THE RAREST OF THE 1879 POSTAGE DUE SPECIAL PRINTINGS.

Although 436 copies were reported sold, it is believed that 100 copies were destroyed in the Calman lot. A thorough search of the marketplace, combined with conversations with dealers and collectors, has confirmed the extreme rarity of this stamp in sound centered condition. This example is one of the finest known.

FINE. PERHAPS TWO EXAMPLES OF THE HALF-BARREL 1914 ISSUE ON PALE GREEN PAPER ARE KNOWN. ONE OF THE GREAT RARITIES OF BEER STAMP COLLECTING.

During World War I, a surcharge of \$1.50 per barrel was added to reflect the new tax rate. For a half-barrel stamp, such as the one offered here, the surcharge would have been 75c. The underlying stamp used for most of the 75c surcharges was the 1909-11 Issue (REA86). A small number of the 1902 Issue (REA79) on Light Blue and Pale Green paper (REA79b) was also surcharged. Perhaps two are known.

Ex “Scarsdale”. With 2004 P.F. certificate as the old Scott REA100b. Scott Catalogue was changed to more correctly reflect the underlying stamp and this is now Scott REA100Ab, which is reflected in the 2012 P.F. certificate which also accompanies..... 11,500.00

Priester Type 70 and Type 105 surcharges, the latter with full "ACT OF OCT. 3, 1917" (the only surcharge type containing month and day), large margins all around, "M B Co. +5:25:18" perforated cancel, light creases not mentioned on accompanying certificate

VERY FINE. THIS IS THE ONLY REPORTED EXAMPLE OF THE 1910 25-CENT QUARTER BARREL WITH BOTH 1914 AND 1917 PROVISIONAL SURCHARGES. ONE OF THE GREATEST BEER STAMP RARITIES AND ONE OF THE HIGHLIGHTS OF THE INMAN BEER STAMP COLLECTION.

The existence of this stamp with both 1914 and 1917 surcharges is very unusual. By the time the 1917 surcharge was used, the 1914 unsurcharged issue (Scott REA108) had been in use for almost three years. The stamp offered here reflects the rate change from \$1.00 per barrel when the underlying stamp (REA93) was issued, to \$1.50 per barrel in 1914, when the first surcharge was applied (REA98). The rate was again changed to \$3.00 per barrel on October 4, 1917, when the 1917 provisional surcharge was used. This remarkable item must have been found in early 1918 and placed into use with the second surcharge applied, so as not to waste a perfectly good stamp.

With copy of 2015 P.F. certificate as REA98 var. This has since rightfully been given its own Scott listing as REA120B. 25,000.00

Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as "floor sale only." To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer's own policy.

There will be no added insurance charge for shipments of less than \$75,000 value. Shipments valued in excess of \$75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.

Standard Shipping Charges

Weight Class	Shipping Method	Charge
Up to 2 lbs.	Fedex Envelope	\$25
Over 2 lbs.	Fedex Box	\$35 - \$50*
Outside US	Fedex	\$50 - \$100**
Bulky Lots	Fedex Ground or Express	By weight

* Up to \$75,000 value and up to 5 lbs; additional charge may apply to packages exceeding limits

** Buyers outside United States are liable for any applicable customs duty and clearance charges. An accurate declaration of contents and value will be made on all packages and import/export documents. **Siegel may refuse to ship lots to certain countries with a high risk factor.**
