Information for Bidders

Bidding

The following means are available for placing bids:

- 1) Attending the Live Auction in Person:** All bidders must register for a paddle, and new bidders must provide references at least three business days in advance of the sale.
- 2) Live Internet Bidding:** Instructions for participating as a Live Internet Bidder are provided on the page opposite.
- 3) Phone Bidding:** Bidders can be connected to the sale by phone and bid through a member of staff. Requests for phone bidding are subject to approval (please contact our office at least 24 hours before the sale). A signed Bid Form is required.
- 4) Absentee Bids.** All bids received in advance of the sale, either by mail, fax, phone, e-mail or internet, are Absentee Bids, which instruct the auctioneer to bid up to a specific amount on one or more lots in the sale. Absentee Bids sent by phone, fax or email should arrive at least one hour prior to the start of the sale session. Bids entered through Live Internet Bidding will be visible to the auctioneer during the sale. Written bids should be entered legibly on the Bid Form in the sale catalogue. Email and internet bids should be carefully typed and double-checked. All new bidders must provide references. We recommend calling or e-mailing to confirm that Absentee Bids sent by mail, fax or email have been received and entered.

Pre-Sale Viewing

Subject to availability, certain lots (except group lots) can be sent to known clients for examination. Requests must be made no later than 7 days prior to the sale. Lots must be returned on the day received. Postage/insurance costs will be invoiced.

In addition to regular viewing, clients may view lots by appointment. Our staff will be pleased to answer questions or provide additional information about lots.

Expert Certification

Individual items offered without a PF or PSE certificate dated within the past five years may be purchased subject to independent certification of genuineness and our description. **Please refer to the Conditions of Sale and Grading Terms for policies governing certification.**

Shipping and Delivery

Procedures and charges for shipping lots are printed on the back of the Bid Form. **Bidders are responsible for all prescribed shipping charges and any applicable sales tax or customs duties.**

Price Realized

Prices realized are sent with each invoice. Bidders with email will receive a Bid Results report after the sale. Session results are posted immediately to siegelauctions.com

Live Internet Bidding at Siegel Auctions

REGISTERED BIDDERS MAY BID IN THIS SALE USING LIVE INTERNET BIDDING

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.

Once you have been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).

To bid, you must be registered and approved by both SAN and Siegel.

To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding

I'm a Siegel client, but I'm not registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form with your trade references (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

Conditions of Sale (please read carefully before bidding)

THE PROPERTY IN THIS CATALOGUE WILL BE OFFERED AT PUBLIC AUCTION BY ROBERT A. SIEGEL AUCTION GALLERIES, INC. ("GALLERIES") ON BEHALF OF VARIOUS CONSIGNORS AND ITSELF OR AFFILIATED COMPANIES. BY BIDDING ON ANY LOT, WHETHER DIRECTLY OR THROUGH A THIRD PARTY, IN PERSON, BY TELEPHONE, FACSIMILE, INTERNET OR BY ANY OTHER MEANS, THE BIDDER ACKNOWLEDGES AND AGREES TO ALL OF THE FOLLOWING CONDITIONS OF SALE.

1. The highest bidder acknowledged by the auctioneer shall be the buyer. The term "final bid" means the last bid acknowledged by the auctioneer, which is normally the highest bid offered. **The purchase price payable by the buyer will be the sum of the final bid and a commission of 18% of the final bid ("buyer's premium"), together with any sales tax, use tax or customs duties due on the sale.**

2. The auctioneer has the right to reject any bid, to advance the bidding at his discretion and, in the event of a dispute, to determine the successful bidder, to continue the bidding or to reoffer and resell the lot in dispute. The Galleries' record of the final sale shall be conclusive.

3. All bids are per numbered lot in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots, to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will execute bidding instructions on behalf of clients, but will not be responsible for the failure to execute such bids or for any errors in the execution of such bids.

4. **Lots with numbers followed by the symbol ° are offered subject to a confidential minimum bid ("reserve"), below which the lot will not be sold. The absence of the symbol ° means that the lot is offered without a reserve. If there is no reserve, the auctioneer has sole discretion to establish a minimum opening bid and may refuse an offer of less than half of the published estimate. Any lot that does not reach its reserve or opening bid requested by the auctioneer will be announced as "passed" and excluded from the prices realized lists after the sale. The Galleries may have a direct or indirect ownership interest in any or all lots in the sale resulting from an advance of monies or goods-in-trade or a guarantee of minimum net proceeds made by the Galleries to the seller.**

5. Subject to the exclusions listed in 5(A), the Galleries will accept the return of lots which, subject to the Galleries' sole judgment, have been misidentified or which have obvious faults that were present when the lot was in the Galleries' custody, but not so noted in the lot description. **All disputed lots must be received by the Galleries intact with the original packing material within 5 days of delivery to the buyer but no later than 30 days from the sale date. (5A) EXCLUSIONS:** The following lots may not be returned for any reason, or may not be returned for the reasons stated: (i) lots containing 5 or more items; (ii) lots from buyers who registered for the pre-sale exhibition or received lots by postal viewing, thereby having had the opportunity to inspect them before the sale; (iii) any lot described with "faults," "defects" or a specific fault may not be returned because of any secondary fault; (iv) photographed lots may not be returned because of centering, margins, short/nibbed perforations or other factors shown in the photos; (v) the color of the item does not match the color photo in the sale catalogue or website listing; (vi) the description contains inaccurate information about the quantity known or reported; or (vii) a certification service grades a stamp lower than the grade stated in the description or on an accompanying certificate.

6. Successful bidders, unless they have established credit with the Galleries prior to the sale, must make full payment in cleared funds before the lots will be delivered. Buyers not known to the Galleries must make payment in full within 3 days from the date of sale. **The Galleries retains the right to demand a cash deposit from anyone prior to bidder registration and/or to demand payment at the time the lot is knocked down, for any reason whatsoever.** In the event that any buyer refuses or fails to make payment in cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to reoffer the lot immediately for sale to the highest bidder. **Credit cards (Visa, Mastercard and Discover only) can be accepted as payment, but will be subject to a 3% non-refundable Convenience Fee, which will be added to the total of the entire invoice (including hammer price, buyer's premium, shipping and transit insurance charges and any applicable taxes). The buyer waives the right to dispute all credit card charges.**

7. If the purchase price has not been paid within the time limit specified above, nor lots taken up within 7 days from the date of sale, the lots may be resold by whatever means deemed appropriate by the Galleries, and any loss incurred from resale will be charged to the defaulting buyer, and/or the Galleries may seek any other remedy prescribed by law to enforce payment. **Any account more than 30 days in arrears will be subject to a late payment charge of 1½% per month as long as the account remains in arrears. Any expenses incurred in securing payment from delinquent accounts will be charged to the defaulter.** A fee of \$250.00 will be charged for a check returned for insufficient funds.

8. All lots are sold as genuine. **Any lot accompanied by a certificate issued by The Philatelic Foundation or by Professional Stamp Experts within 5 years of the sale date is sold "as is" and in accordance with the description on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary certificate of opinion or change in grade.** Buyers may request a certificate for a lot containing not more than one item, which does not have a P.F. or P.S.E. certificate (dated as above), provided that the following conditions are met: (i) the purchase price must be paid in full, (ii) if submitted by the buyer, the lot must be submitted to an acceptable expertizing service with a properly executed application form within 21 days of the sale, (iii) a copy of the application form must be given to the Galleries, (iv) the Galleries retains the right to resubmit the item for reconsideration, without time limit or other restrictions, for the purpose of obtaining a satisfactory opinion, (v) lots submitted for certification will be considered cleared 90 days from the date of sale, whether or not a certificate has been issued, unless the Galleries issues written approval of a further extension of return privileges, and (vi) in the event the lot is determined to be misidentified or misdescribed, pursuant to 5 and 5(A) of these Conditions, the Galleries will issue a refund to the buyer for the full purchase price and actual certification fees, but the reimbursement for certificate fees (and related costs) shall not exceed 10% of the hammer price of the lot. **Changes to a grade by the same certification service or a different grade from another certification service are not grounds for returning a lot.**

9. Until paid for in full, all lots remain the property of the Galleries on behalf of the seller.

10. Agents executing bids on behalf of clients may also be held responsible for all purchases made on behalf of clients, unless otherwise arranged prior to the sale.

11. **The buyer assumes all risk for delivery of purchased lots and agrees to pay for prescribed shipping costs. Buyers who receive lots in the U.S. are obligated to pay whatever sales tax or compensating use tax might be due, at any time, and buyers outside the U.S. are responsible for all customs duties.**

12. **The bidder consents that any action or proceeding against it may be commenced and maintained in any court within the State of New York or in the United States District Court for the Southern District of New York, that the courts of the State of New York and United States District Court for the Southern District of New York shall have jurisdiction with respect to the subject matter hereof and the person of the bidder. The bidder agrees not to assert any defense to any action or proceeding initiated by Galleries based upon improper venue or inconvenient forum. The bidder agrees that any action brought by the bidder shall be commenced and maintained only in a Federal Court in the United States District Court for the Southern District of New York or the State Court in the county in which Galleries has its principal place of business in New York. The bidder agrees not to use a public conflict resolution service and not to use any form of social media to publish comments or information about the Galleries and its employees which might harm the Galleries' reputation or business. These Conditions of Sale shall be governed by and construed in accordance with the substantive laws of the State of New York, and shall constitute an agreement that shall be binding on the parties, and their respective heirs, administrators, distributees, successors and assignees.**

Grades, Abbreviations and Values Used in Descriptions

Grades and Centering

Our descriptions contain detailed information and observations about each item's condition. We have also assigned grades to stamps and covers, which reflect our subjective assessment. For stamps, the margin width, centering and gum are described and graded according to generally-accepted standards (an approximate correlation to numeric grades is provided at right). Although we believe our grades are accurate, they are not always exactly aligned with third-party grading terms or standards for all issues. **A lot may not be returned because a certification service grades a stamp lower than the grade stated in the description. Information from the P.S.E. Stamp Market Quarterly and P.S.E. Population ReportSM is the most current available, but lots may not be returned due to errors or changes in statistics or data.**

Extremely Fine Gem (90-100): The term "Gem" describes condition that is the finest possible for the issue. This term is equivalent to "Superb" used by grading services.

Extremely Fine (80-90): Exceptionally large/wide margins or near perfect centering.

Very Fine (70-85): Normal-size margins for the issue and well-centered with the design a bit closer to one side. "Very Fine and choice" applies to stamps that have desirable traits such as rich color, sharp impression, freshness or clarity of cancel.

Fine (60-70): Smaller than usual margins or noticeably off center. Pre-1890 issues may have the design touched in places.

Very Good (below 60): Attractive appearance, but margins or perforations cut into the design.

Covers

Minor nicks, short edge tears, flap tears and slight reduction at one side are normal conditions for 19th century envelopes. Folded letters should be expected to have at least one file fold. Light cleaning of covers and small mends along the edges are accepted forms of conservation. Unusual covers may have a common stamp with a slight crease or tiny tear. **These flaws exist in virtually all 19th century covers and are not always described. They are not grounds for return.**

Catalogue Values and Estimates

Unless otherwise noted, the currently available *Scott Catalogue* values are quoted in dollars with a decimal point. Other catalogues are often used for foreign countries or specialized areas and are referred to by their common name: *Stanley Gibbons* (SG), *Dietz*, *American Air Mail Catalogue* (AAMC), *Michel*, *Zumstein*, *Facit*, etc. Estimates are indicated with an "E." and reflect our conservative valuation in dollars. Reserves will never exceed the low end of the estimate range; they will sometimes exceed Scott Catalogue value for stamps in Extremely Fine condition.

Because of certain pricing inconsistencies in the *Scott Catalogue*—for example, blocks that have no gum, the absence of premiums for Mint N.H. items, etc.—we cannot guarantee the accuracy of values quoted for multiples, specialized items and collection lots. We generally try to be conservative, but buyers may not return a lot because of a discrepancy in catalogue value due to Scott pricing inconsistencies.

VERY FINE AND CHOICE USED PAIR OF THE 2-CENT TYPE I VERTICAL COIL, SCOTT 449.

The 2c Type I rotary plate was used very briefly to make vertical coils issued in late 1915. It was briefly used because the Type I plate was not very deeply engraved and the curvature of the rotary press yielded impressions lacking in some of the details. The Bureau noticed this immediately, and quickly replaced it with the Type III plate (according to Scott, the EDU for No. 449 is Oct. 29, 1915, and the EDU for Type III is Dec. 10, 1915).

- 768 ☒ **Pomeroy's Letter Express, 5c Black on Yellow Glazed (117L1).** Large even margins, cancelled by heavily impressed red "Paid" cancel (tied by impression thru stamp and lettersheet), red "Boyd's City Express Post Mar. 6 9 O'C" oval datestamp for local delivery on folded cover to New York City street address, receipt docketing "Friendly Sons of St. Patrick", light soiling, Very Fine and enigmatic use, Pomeroy's Letter Express discontinued service gradually beginning in August 1844, but covers are known dated as late as September 16, 1844, the Boyd's oval on this letter came into use in September 1844, therefore, as a March 1845 cover it does not seem possible that Pomeroy could have been involved, however, the physical characteristics of the cover - notably the "Paid" tying the stamp where the serifs of the "P" are impressed thru the stamp and lettersheet - are convincing enough that we feel this represents an attempted (and successful?) late use of the Pomeroy's stamp, it is also interesting that this "Paid" marking was never used by Pomeroy, but is exactly like the type used by Hale & Co., if Hale did, in fact, carry this letter into New York City with the Pomeroy stamp affixed, this use becomes all the more fascinating, with 1998 and 2007 P.F. certificates E. 500-750

FINE. A RARE EXAMPLE OF THE PHILIPPINES 1917 2-CENT HORIZONTAL PAIR, IMPERFORATE-BETWEEN VERTICALLY, AND THE FIRST WE HAVE OFFERED SINCE KEEPING COMPUTERIZED RECORDS.

The imperforate-between errors exist with the horizontal perforation row missing (in vertical pairs) and with the vertical perforation row missing (in horizontal pairs). The horizontal pairs imperforate-between are considerably rarer, but the catalogue value is lower. Knowledgeable specialists are aware of this anomaly and bid without regard for the catalogue value. The only example we have been able to locate was in the 1993 Gilbert Plass sale (Ivy, Shreve & Mader), and that copy is inferior to the example offered here. 1,500.00

FRESH AND FINE. AN ATTRACTIVE AND RARE MINT NEVER-HINGED BOOKLET PANE WITH THE BOTTOM LEFT STAMP CONTAINING THE "WEALTH COMMON-" ERROR.

Two complete booklets were found in an original package of normal panes (ex Diamond). Several others were closely held for decades by a second-generation stamp dealer, who recently found this pane plus one in damaged condition (offered in lot 926) in his extensive and disorganized holdings. 3,250.00

Live Internet Bidding at Siegel Auctions

REGISTERED BIDDERS MAY BID IN THIS SALE USING LIVE INTERNET BIDDING

This step-by-step guide will instruct you how to register, set your browser and use the bidding interface.

Start by following the simple steps to become a registered Live Internet Bidder.

Once you have been approved for bidding, you can listen to the auction and place bids with the click of a mouse.

Registering with STAMP AUCTION NETWORK & SIEGEL AUCTION GALLERIES

Live Internet Bidding is managed by Stamp Auction Network (SAN).

To bid, you must be registered and approved by both SAN and Siegel.

To decide what you need to do, choose the description below that best fits you.

I've already registered with SAN and have been approved by Siegel for internet bidding

I'm a Siegel client, but I'm not registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form, indicating you are a Siegel client. Once registered at SAN, you're ready for internet bidding.

I've bid through SAN before, but this is the first time I've bid in a Siegel sale

Then you just need to be approved by Siegel. Go to stampauctionnetwork.com/siegel and click on "Update Registration" at the top. Your SAN account information will be sent to us for approval (you might be asked for other trade references). Once approved by Siegel for bidding, you're ready for internet bidding.

I've never bid with Siegel, nor registered with SAN

Go to stampauctionnetwork.com/siegel and click on "Register" at the top. Check the box for Robert A. Siegel Auction Galleries (under "R") and submit the form with your trade references (please, no family members or credit card companies as references). Once registered at SAN and approved by Siegel for bidding, you're ready for internet bidding.

Live Internet Bidding works by allowing registered bidders to observe and place bids.

Live Internet Bidding will work with any browser on both PC and Mac operating systems.

Before bidding by internet for the first time, we recommend finding a sale in progress and listening to the public broadcast or logging in as a registered bidder. This will help you develop a feel for the sale tempo and bidding interface.

Log on to the auction at stampauctionnetwork.com

When you're logged on as a Live Internet Bidder, the bidding interface shows a photo and description of the lot, the current bid (and your bidding status), options for placing competitive bids and buttons with bid increments.

- After you click on a bid amount, the auctioneer is immediately notified of your bid.
- Retracting a bid is usually not acceptable, so please bid carefully.
- If you bid and then decide to stop, the "Pass" button will tell the auctioneer you are no longer bidding.
- You can send messages to the auctioneer (for example, a request for extension).
- You can track prior realizations from the bidding screen.

Shipping & Insurance

We will be pleased to arrange for shipping and transit insurance for purchases in this sale, except for lots marked or announced as "floor sale only." To expedite billing and delivery to hundreds of buyers in each sale, we use standard charges for postage and insurance under our policy. These charges are based on the package weight and mailing requirements, according to the schedule shown here. Our standard charges do not include a fee for our services, and they may be slightly more or less than the actual postage or Fedex fee. We ask all buyers to remit the invoiced amount for shipping and insurance.

Transit insurance is provided in all cases, except when the buyer has furnished us with documentation that insurance is effective under the buyer's own policy.

There will be no added insurance charge for shipments of less than \$75,000 value. Shipments valued in excess of \$75,000 may require supplemental insurance and/or special courier service, the estimated cost of which will be furnished to the buyer prior to shipment. If the buyer refuses to pay the estimated charges or furnish proof of self-insured coverage, the buyer will be responsible for picking up the lots at our office and any resulting sales tax.

Standard Shipping Charges

Weight Class	Shipping Method	Charge
Up to 2 lbs.	Fedex Envelope	\$20
Over 2 lbs.	Fedex Box	\$35 - \$50*
Outside US	Fedex	\$50 - \$100**
Bulky Lots	Fedex Ground or Express	By weight

* Up to \$75,000 value and up to 5 lbs; additional charge may apply to packages exceeding limits

** Buyers outside United States are liable for any applicable customs duty and clearance charges. An accurate declaration of contents and value will be made on all packages and import/export documents. **Siegel may refuse to ship lots to certain countries with a high risk factor.**
