Dear Pauli 11/27/18.
This is what some
of the birds really
looked like. I have
a few of their coat
buttons I'll try and
bring home. We had
some rough old times
when I thought I would
burst or get busted but
where all was over I
was better than ever.
I was glad then I wasn't
bigger. Lots to tell you
if you see me. Arthur.
